REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
Office of Initial Patent Examination
Customer Service Center
Washington, DC 20231

Sir:

Enclosed is a copy of the Filing Receipt for the above-identified patent application.

Please reprint the Filing Receipt as follows and mail the corrected copy to the undersigned.

Please change the Non-Publication Request line to read -- no -- rather than "yes". A Request for Non-Publication was *not* filed in connection with the above-identified application. A copy of the patent transmittal and returned, PTO stamped postcard both do not indicate that a Non-Publication Request was filed or was included in the express mail package.

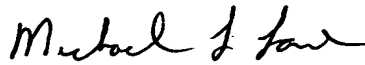

Also, please add -- This application also claims benefit of 60/311,418, filed August 9, 2001 --. The related provisional application serial number was not yet received when the above-

identified application was filed. As you can see from the attached first page of the application, the Applicants indicate claiming priority to "U.S. Provisional Application Serial No. _____ (Attorney Docket No. KABAP002P2). We have now received the related provisional application serial number and are requesting that it be included on the filing receipt.

Applicants note that an outstanding Notice to File Missing Parts must still be filed. Applicants respectfully request that a corrected and updated filing receipt be issued after we have filed the response to the Missing Parts.

Since this is a Patent Office typographical error, no fee should be due. However, the Commissioner is authorized to charge any fees that may be due to Deposit Account 500388 (Order No. KABAP002).

Respectfully submitted,
BEYER WEAVER & THOMAS, LLP
